Incorporated Area

Public Act 095-0175

District Boundary lines are either: The center lines of railroads, highways, streets, alleys, easements, or waterways. The boundary lines oblique, quarter sections, or tracts and lots. Or such lines extended unless otherwise indicated.

Whenever a district is indicated as a strip adjacent to and paralleling a street or highway, and the boundaries are not located as set forth above, the depth of such strips shall be in accordance with dimensions shown on the map measured at right angles from the centerlines of the street or highway, and the length of frontage shall be in accordance with dimensions shown on the map from section, quarter section, or division lines, or centerlines of streets, highways, or railroad right-of-ways unless otherwise indicated.
