FOR IMMEDIATE RELEASE

Date: November 21, 2024

Kankakee County Circuit Clerk Online Portal is Live

Kankakee County Circuit Clerk office went live with a new court case management system - Tyler Enterprise Justice - on September 23, 2024.

As part of this implementation, a new public-facing website that provides information to members of the public and legal community called Portal is now activated.

We have appreciated everyone's patience as we worked hard to provide this critical legal information to our community.

For any other questions, please call 815-936-5700.
